ABOUT THE LEAGUE

They Represent You

This Directory of Elected Officials is a vital resource provided free to the community to facilitate civic engagement. Contacting the men and women who represent you at the local, state and national levels is easy and a key to making democracy work. This information will help you contact organizations and individuals who can help you learn about the political process and how to make your voice heard.

Help make democracy work by sharing your thoughts with elected officials. Their jobs depend on it. Remember, **They Represent You!**

The League of Women Voters of Seattle Education Fund

This publication is funded and published by The League of Women Voters of Seattle Education Fund, a tax-exempt organization under section 501(c)(3) of the Internal Revenue Code. The Education Fund supports the League's education and voter services programs in the greater Seattle area.

You can support this mission with a tax-deductible donation! Please make checks payable to: LWVS Education Fund, 1620 18th Avenue, Suite 101, Seattle, WA 98122, or contribute through www.seattlelwv.org.

Mission Statement

The League of Women Voters, a nonpartisan political organization, encourages informed and active participation in government, works to increase understanding of major public policy issues and influences public policy through education and advocacy.

About the League of Women Voters of Seattle

The League of Women Voters of Seattle (LWVS) is one of the largest and most active Leagues in the country, serving the greater Seattle area including North and East King County. We are women and men of all ages and backgrounds who encourage involvement in government. Members join committees to study or advocate on issues. They also participate in activities to register and inform voters. Others become part of the League network of state or national League activities; others support the organization with their membership.

The League is political but non-partisan and does not rate, endorse or support political candidates.

For more information, check the League website: www.seattlelwv.org

How do I Become a Member?

Membership in the League of Women Voters of Seattle is open to men and women. Dues are \$60 per year and include membership in the LWV of Washington and the LWV of the US.

Please visit our website at www.seattlelwv.org to join online or send a check for \$60 to LWV of Seattle, 1620 18th Ave, Suite 101, Seattle, WA 98122. Student, low- or fixed-income, household and no-fee memberships are available as well.

The League of Women Voters is where hands-on work to safeguard democracy leads to civic improvement.

VOTER REGISTRATION INFORMATION

Who can register to vote?

To be eligible to vote, you must be a U.S. citizen, at least 18 years old by Election Day and a legal resident of Washington State 30 days preceding the election you wish to vote in.

Where can I register?

In 2008, Washington began offering online voter registration at www.secstate.wa.gov. For more information on mail-in registration forms, visit www.kingcounty.gov/elections or call 206-296-VOTE (8683).

What are the registration deadlines?

A voter who is already registered to vote in Washington may update his or her registration at least 29 days before the election they wish to vote in. A person who is not registered to vote in Washington can submit their completed voter registration by mail at least 29 days before the election, or **in person** at King County Elections at least eight days before the election they wish to vote in. Specific dates can be found at www.kingcounty.gov/elections.

What if I move or change my name?

A registered voter who changes his or her residence within King County can transfer their registration to the new address in one of the following ways:

- E-mail or send a written request to King County Elections,
- Call 206-296-VOTE (8683), or
- Submit a new voter registration form.

If you move from one county to another, simply fill out a new voter registration form to update your address. If this update is not made at least 29 days before election day, you may vote according to your previous registration address.

If you move to a new state, you must re-register with your new elections office. Please help keep our voter rolls current and cancel your previous registration with King County Elections.

Changing your name is easy. To do so, complete a new voter registration form or contact King County Elections in writing with the following information: voter's registered and new names, along with your current address and signature.

King County Elections is open weekdays from 8:30 a.m. to 4:30 p.m., and can be reached at 206-296-VOTE (8683), and elections@kingcounty.gov. More information and directions can be found at www.kingcounty.gov/elections.

VOTE BY MAIL IN KING COUNTY

In 2009, King County began conducting all elections by mail.

All eligible, registered voters are mailed a ballot 20 days before each election. Voters will automatically receive a ballot in the mail for each election that they are eligible to vote in. Make sure your address is current, so your ballot reaches you.

All voters should follow these guidelines when voting their mail ballot:

- Carefully follow all instructions for voting and read your ballot carefully.

- Your signature makes your vote count. The signature on every ballot envelope is verified against the voter’s registration record. If your signature has changed over the years, please update your records with King County Elections.
- Respond immediately if you are contacted by the Elections office. You may have forgotten to sign the return envelope or your signature may not match your voter registration record. Elections officials attempt to contact voters, but rely on a timely response.
- To be counted, mail ballots must be postmarked by Election Day. Ballots without postage can be returned to a 24-hour ballot drop box until 8 p.m. on Election Day.

Ballot drop boxes

Voters have two ways of returning their voted ballot: through the U.S. Postal Service or at a secured ballot drop box. For box locations, visit www.kingcounty.gov/elections.

Ballot tracking

Your ballot travels a long way from the time it’s printed, mailed to you and returned to our office. Voters can track their mail ballot’s progress online as it is processed at www.kingcounty.gov/elections.

Accessible voting options are available

Voters with disabilities can cast a private and independent ballot at one of three accessible voting centers located throughout the county.

The equipment at these locations provides audio and visual technology which allows voters with limited vision and physical disabilities to vote independently. For locations, hours and more information, visit www.kingcounty.gov/elections.

Chinese information

Federal law requires King County to produce all election material in both English and Chinese. If you need language assistance or would like a ballot and voters’ pamphlet in Chinese, call 206-296-8683.

ADDRESSING OFFICIALS

Include your name and address when writing or e-mailing your elected officials. Letters to the President and Vice President should be addressed to the President or the Vice President. The correct salutations are: “Dear President Doe” or “Dear Mr./Madam President”, “Dear Vice President Doe” or “Dear Mr./Madam Vice President.”

Letters to other elected officials should be addressed to “The Honorable” plus name, or “Position” plus name, as in the “The Honorable Jane Doe” or “Councilmember Jane Doe.”

When the legislature is in session, generally the district offices are not staffed, and it may take some time to hear back from legislators if one does not reach them at their Olympia office. Likewise, it is best to reach the legislators at their district offices when the legislature is out of session. Call the Olympia phone number if no district number is listed.

COURTS

A listing of courts and judges appears in the Government section of the telephone directory Blue Pages. Washington State judges are elected by the voters in their jurisdiction. Jurors in Washington State are drawn from lists of registered voters and licensed drivers.

Washington State Legislature Information

Find your legislative district online!

www.leg.wa.gov - click on: Find Your Legislator

The Legislature is composed of 49 senators and 98 representatives. Voters in 49 districts elect one senator to serve a four-year term, and two representatives to serve a two-year term. Elections are held in even-numbered years. Senators serve staggered terms, so half the senate is elected every two years.

For an overview of the Legislative process, for example, what is a bill, and how bills become laws, visit the help section of the Washington State Legislature website at www.leg.wa.gov or call the Legislative Hotline at 1(800) 562-6000.

To leave an opinion or statement of concern about government, call the Legislative Hotline. For information on the status of bills or to obtain copies of bills, call the Legislative Information Center. To facilitate inquiries, provide your district number or the name of at least one legislator in your district. District offices are staffed only between legislative sessions.
